

# Please,

READ **ALL** THE PAPERS IN THIS PACKET!

**In your packet you will find:**

- **Your contract**
- **Spay/Neuter information**
- **Vaccine and/or Vet Records**
- **Deworming and Parasite information**
- **Food Transition Handout**
- **Microchip Registration**
- **Applicable training handouts, if any**
- **Pet insurance sign up form (10% off!)**

THANK YOU for adopting from Save My Tail! We hope for each adoption to be an amazing experience, and we are happy to welcome you to our family!

Please review all of the paperwork included in your adoption packet.

Don't forget to register your microchip.

The food you were given is only enough to use the provided method to transition over to the new food you have selected... please start the transition immediately!

Canned pumpkin can be given to settle an upset tummy. Leaving home is stressful for some dogs, even if they seem like they're having a blast!

It takes 3 days to decompress, 3 weeks to become comfortable, and 3 months to learn your routine. Please give them time, and if needed, consult a trainer for advice.

*If you were given dewormer, please start that tomorrow.*

*It can cause an upset tummy in some dogs, don't stop treatment.*

**Dosing for dewormer is as follows:**

## CONGRATULATIONS

*on your new addition*
